10 WAYS TO BE AN OUTSTANDING CANDIDATE

1. PREPARATION: You must prepare for **EVERY** stage of the hiring process. This includes the initial testing process, interviews, background investigation, etc. The prepared are noticed and so are the unprepared. Be noticed for the right reasons! Prepare for commonly asked questions through various resources and talking with others now working in the field. Maintain physical fitness and practice wellness. Diligent preparation often makes the difference between successful and unsuccessful candidates. You certainly can be the **BEST PREPARED** candidate!

2. FOLLOW APPLICATION INSTRUCTIONS: You must read and follow meticulously all instructions. Application and background forms must contain **all** required information. Failure to follow written or verbal instructions reflects poorly on the applicant, and in some cases may result in disqualification. Public safety positions demand rigorous attention to detail and thoroughness. Sloppy, incomplete and error-filled paperwork may indicate an applicant's lack of attention to detail and an overall lack of professionalism.

3. HONESTY: In all phases of the selection process, be completely truthful. This means providing total and complete information. Information provided at each step of the process is validated against information that was previously provided. Dishonesty in any form will result in immediate disqualification—and is the #1 reason candidates are eliminated from the hiring process! Integrity, honesty and trustworthiness are essential. **Honesty is your responsibility.**

4. COMMUNICATIONS SKILLS: Oral and written communication skills are critical in public safety occupations, and are emphasized in the testing process. Make eye contact with all panel members and practice concise, confident answers. Oral communication skills and the ability to establish rapport with an interview panel can be developed through practice and honest feedback from others.

5. KNOWLEDGE OF OCCUPATION & DEPARTMENT: Applicants must have a solid knowledge of the specific duties and demands of the profession, as well as knowledge of the agency and the jurisdiction served. Good sources are the department and city website, the department's annual report, talking to department employees, friends in the profession, and ride-a-longs. Failure to possess basic knowledge about the Department or the position being applied for indicates an applicant who is neither serious nor passionate about the profession or the Surprise Police Department.

6. PUNCTUALITY: Arrive at **ALL** appointments at least 15 minutes early. Develop a habit of being early. Arriving late for scheduled appointments will not be accepted. Anticipate any possible cause for a delay. Poor time management skills will reflect negatively on applicants.

7. PROFESSIONAL BUSINESS ATTIRE: Dress and groom professionally and conservatively during any interview: preferably a conservative business suit. You never get a second chance to make a first impression. The Surprise Police Department expects professional, conservative dress and grooming. If you are unsure what constitutes conservative attire and grooming, ask someone who knows.

8. CANDOR & SINCERITY: Demonstrate sincerity, candor, integrity, conviction and honesty. If you are not yourself, it will show. Avoid canned responses; we want to see who you are, how you think and what you value.

9. KNOW YOURSELF: Know why you want to work in public safety, and how your background, skills and aptitude indicate success in performing specific duties. The Surprise Police Department wants to know your capability and potential to address the various issues and challenges faced in public safety.

10. LISTEN CAREFULLY: Be an active listener, especially during the interview process. Listen carefully to the questions asked and think before you respond. Take a few seconds to formulate a thoughtful, concise answer. Active listening is a valuable skill in all jobs, especially police work.

Thank you for your interest in our Police Department as you pursue a career in law enforcement.

The Cooper Institute protocol for the Physical Fitness Test

Full Body Push-Up Test: This test measures the muscular endurance of the upper body (anterior deltoid, pectoralis major and triceps).

1. The hands are placed slightly wider than shoulder width apart, with fingers pointing forward. Another assistant will place one fist on the ground below the subject's chest.
2. Starting from the up position (elbows extended) the candidate must keep the back straight at all times and lower the body to the ground until the chest touches the assistant's fist. The candidate then returns to the up position. This is one repetition.
3. Resting should be done only in the up position. Both hands must remain in contact with the ground at all times.
4. The total number of correct push-ups will be recorded. There is no time limit.

Sit-Up Test: This test measures abdominal muscular endurance.

1. The candidate starts by lying on the back, knees bent, heels flat on the floor, with the hands cupped behind the ears. Note: Law Enforcement must follow formal protocol with fingers laced and held behind the head. Avoid pulling on the head with the hands. The buttocks must remain on the ground with no thrusting of the hips.
2. An assistant holds the feet down firmly.
3. The candidate then performs as many correct sit-ups as possible in one minute.
4. In the up position, the candidate should touch elbows to knees and then return until the shoulder blades touch the ground.
5. Score is total number of correct sit-ups. Any resting should be done in the up position.
6. Breathing should be as normal as possible, making sure that the candidate does not hold their breath.
7. Neck remains in the neutral position.
8. Do not pull on the head or neck.

1.5 Mile Run Test: This test measures cardio-respiratory fitness.

1. Candidates should not eat a heavy meal or smoke for at least 2–3 hours prior to the test. Candidates should warm up and stretch thoroughly prior to the test.
2. If possible, each candidate should have experienced some practice in pacing prior to the test. Often candidates will attempt to run too fast early in the run and become fatigued prematurely.
3. The candidate runs 1.5 miles as fast as possible. If a 440 yard track is used, 6 laps must be completed using the inside lane (lane 1). If using a 400 meter track, an additional 15 yards must be run after the 6 laps are completed.
4. During the administration of the test, candidates will be informed of their lap times. Finish times will be called out and recorded.
5. Upon test completion, a mandatory cool down period is enforced. The candidates should walk slowly for approximately 5 minutes immediately after the run to prevent venous pooling (i.e., pooling of the blood in the lower extremities which reduces the return of blood to the heart and may cause cardiac arrhythmias).

All police officer, recruit candidates are required to read the Physical Fitness Assessment Waiver on the following page and indicate agreement by signing and dating the waiver. Police officer recruit candidates are required to present the signed waiver when they report on the designated date and time for the Physical Fitness Test.
